 **Prompt Formula:** Subject + Motion + Environment (Optional) + Camera Movement/Cut (Optional) + Dialogues (Optional) + Aesthetic Description (Optional) + Audio (Optional).

1. UGC

Categ ory	Prompt template	References	Prompt	Video generated
Beaut y	Use the provided [PRODUCT NAME] product reference image @image1 to generate a vlog-style UGC video . Maintain a natural handheld selfie aesthetic, realistic lighting, and authentic creator energy. Avoid polished commercial or studio-style visuals. Structure the video as a fast "[PRODUCT NAME/CATEGORY] throughout my day" montage with natural jump cuts (1–2 seconds per scene): Voiceover (natural, conversational tone): "[DIALOGUE LINE 1]... [DIALOGUE LINE 2]. And it just works [CONTEXT/USE-CASE, e.g., everywhere, on the go, day and night] — [SITUATION 1], [SITUATION 2], even [SITUATION 3]. [CLOSING DESCRIPTOR, e.g., Super		Use the provided lipstick product reference image @image1 to generate a vlog-style UGC video. Maintain a natural handheld selfie aesthetic, realistic lighting, and authentic creator energy. Avoid polished commercial or studio-style visuals. Structure the video as a fast “lipstick throughout my day” montage with natural jump cuts (1–2 seconds per scene): Voiceover (natural, conversational tone): “Honestly, it’s so lightweight... I barely feel it. And it just works everywhere — morning, after meals, even after a workout. Super comfortable.” In the end, Model must be of Indian ethnicity and have Indian accent	

	comfortable / Totally worth it / Can't go back]."In the end, model must be of [ETHNICITY] ethnicity and have [ETHNICITY/REGIONAL] accent.		
Clothing	Create a fast-paced, TikTok-style video with the model's natural, upbeat voice speaking quickly, similar to a friend sharing something. A [AGE]-year-old [ETHNICITY] [GENDER] holds her phone, taking a selfie from the camera, wearing [PRODUCT/OUTFIT] from a reference image. Shot 1: Model ([ACTION/POSE DESCRIPTION], confidently saying): "[HOOK LINE]." The model [MOVEMENT, e.g., makes a relaxed turn], showcasing [KEY PRODUCT FEATURE 1]. Shot 2: Quickly cuts to a close-up of the [PRODUCT], the model [DEMONSTRATION ACTION, e.g., stretching the fabric] to demonstrate [FEATURE BEING SHOWN, e.g., elasticity]. The camera quickly zooms in on [DETAIL, e.g., waistband/stitching/texture]. The model [SECONDARY DEMO ACTION]. The close-up switches to a medium shot, the model (while		Create a fast-paced, TikTok-style video with the model's natural, upbeat voice speaking quickly, similar to a friend sharing something. A 28-year-old Caucasian woman holds her phone, taking a selfie from the camera, wearing an outfit from a reference image.Shot 1: Model (showing off her figure, confidently saying): "And the fit? Chef's kiss." The model makes a relaxed turn, showcasing the fitted cut and the overall OOTD effect.Shot 2: Quickly cuts to a close-up of the outfit, the model stretching the fabric horizontally at the waist, demonstrating its great elasticity. The camera quickly zooms in on the elastic waistband and drawstring design. The model casually puts her hands in her pockets, shrugging to indicate there are pockets. The close-up switches to a medium shot, the model (while demonstrating, saying): "The waistband is so forgiving, and POCKETS! Also, stretch for days."Shot 3: Quickly cuts to the 

demonstrating, saying): "**[FEATURE CALLOUT LINE]**."

Shot 3: Quickly cuts to the **[PRODUCT]** laid out on **[SURFACE, e.g., a sofa/table]**. Her **[PET TYPE/BREED]**, "**[PET NAME]**," is **[PET ACTION, e.g., lying on it, rubbing against it]**. She **[TOUCH/DEMO ACTION]** to demonstrate **[QUALITY, e.g., softness]**. Close-up (voiceover, with **[TONE, e.g., a smile and a hint of exasperation]**): "**[RELATABLE/PLAYFUL LINE involving pet]**."

Shot 4: Cuts back to the model in the full **[PRODUCT/OUTFIT]**, performing **[ACTIVITY, e.g., light yoga stretches]** to showcase **[QUALITY, e.g., comfort/movement]**. Model (naturally saying while **[ACTIVITY]**): "**[VERSATILITY LINE — listing use-cases, e.g., 'I could literally live in this. X, Y, Z...']**."

Shot 5: The model **[CLOSING ACTION, e.g., stops, picks up phone, waves goodbye]** as she **[EXIT ACTION, e.g., walks towards the door]**, her smile natural and infectious. Medium shot, (talking casually while **[ACTION]**): "**[SIGN-OFF LINE + CTA]**."

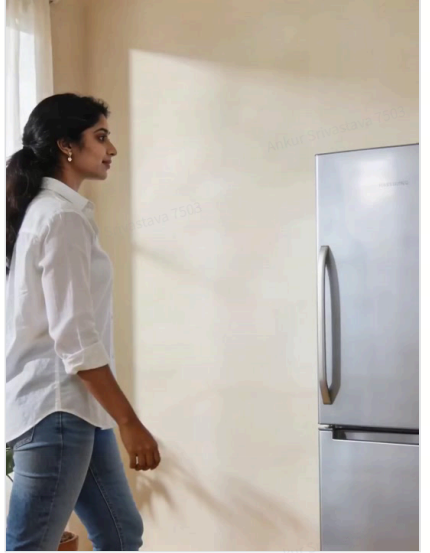

entire casual outfit spread out on a sofa. Her golden tabby cat, "Mimi," is comfortably lying on the pants, even rubbing its cheek against the fabric. She strokes the fabric, gently pinching the pants to demonstrate the softness a cat would love. Close-up (voiceover, with a smile and a hint of exasperation): "No, seriously. Look how soft this is. Even Mittens approves." Shot 4: Cuts back to the model in the full outfit, performing several very light yoga stretches to showcase the garment's stretch and comfort, as if she could go for a workout or walk any second. Model (naturally saying while exercising): "I could literally live in this. Yoga, running errands, lounging..." Shot 5: The model stops exercising, picks up her phone, and waves goodbye to the camera as she walks towards the door, her smile natural and infectious. Medium shot, (talking casually while walking): "Anyway, I'm off for a walk. Go grab it before the sale ends! Bye!" Subtitle: Sale On Now! 🏃 Hurry Up!

	Subtitle: [PROMO TEXT, e.g., "Sale On Now! 🏃 Hurry Up!"]			
Electronics	Use the provided [PRODUCT NAME] ([COLOR/VARIANT]) product reference images @image1 @image2 to generate a vlog-style UGC video. Maintain a natural handheld selfie aesthetic, realistic lighting, and authentic creator energy. Avoid polished commercial or studio-style visuals — no product close-ups, no screen demos, no zoom-ins. This should feel like a single continuous, casual selfie video of someone just talking to camera while holding their [product/device]. The model from the reference image @image3 ([AGE RANGE], [ETHNICITY], [STYLING/APPEARANCE DESCRIPTION]) holds the [PRODUCT NAME] in [COLOR/VARIANT], taking a selfie-style video, speaking directly to camera in a natural, upbeat, conversational tone — like he's/she's catching up with a friend. Single continuous shot: Model casually [ACTIVITY, e.g., walking / sitting] (e.g., [SETTING, e.g., outdoors / relaxed indoor setting]), holding the [product] up at selfie angle,	 (Character from Digital character library, asset id = asset-20260225022538-kp2lk) 	Use the provided iPhone 17 Pro (Cosmic Orange) product reference images @image1 @image2 to generate a vlog-style UGC video. Maintain a natural handheld selfie aesthetic, realistic lighting, and authentic creator energy. Avoid polished commercial or studio-style visuals — no product close-ups, no screen demos, no zoom-ins. This should feel like a single continuous, casual selfie video of someone just talking to camera while holding their phone. The model from the reference image @image3 (a man in his early-to-mid 30s, Indian ethnicity, casual styling) holds the iPhone 17 Pro in Cosmic Orange, taking a selfie-style video, speaking directly to camera in a natural, upbeat, conversational tone — like he's catching up with a friend. Single continuous shot: Model casually walking or sitting (e.g., outdoors or in a relaxed indoor setting), holding the phone up at selfie angle, occasionally glancing at it and back to camera. 7. Electronics Longer format videos (45 seconds) - Includes text overlays , icons and graphics

References	Prompt	Result
	Prompt for Shot 1: @Image1, @image2 , @image 3 as primary product reference.Product is the Sony WH-CH720N in matte black — earcup shape, slim	Shot 1

headband, SONY wordmark on slider, NC/AMB button and port layout must match references exactly in every frame. Product-only shot, no hands, no people.

0–4 sec: Clean studio turntable, soft even lighting, subtle reflections on the matte black earcups. The headphones rotate smoothly through a full 360°, camera holding a steady close-up that highlights the earcup design, headband profile, and hinge details. **Text overlay: "Sony WH-CH720N."**

5–11 sec: Rotation settles on the 3/4 hero angle matching @Image1. A **simple battery icon** animates beside the headphones, charge level filling smoothly to full — clean minimal motion graphic, no clutter. **Text overlay: "Up to 50 Hours Battery Life."** Voiceover (**calm, warm female**): **"Meet the Sony WH-CH720N — built for all-day listening with up to fifty hours of battery life."**

Throughout: 4K high definition, polished ecommerce ad finish, realistic materials, smooth cinematic transitions. Product proportions, logo placement, and matte texture identical to references — no redesign, no color shift, no flickering.

Ensure music is fully original, generic, copyright-safe, and free from any identifiable copyrighted or legally protected references.

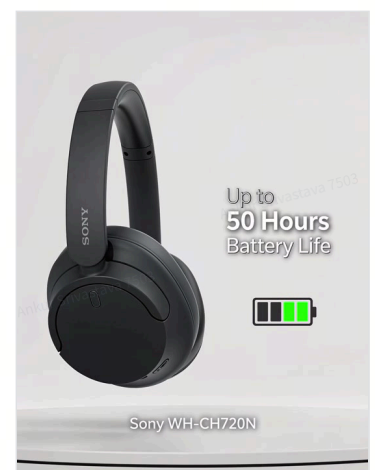

Prompt for Shot 2:

[Image 1] is the start frame. The first frame of the generated video must match [Image 1] exactly preserve the details. @image1, @Image2 and @Image3, @image 4 as product references — Sony WH-CH720N, matte black, exact earcup geometry and SONY wordmark placement, zero design deviation. Product-only, no hands, no people. Continuation of Shot 1: opens on the same studio setting.

0–4 sec: Cinematic close-up of the headphones from the front matching @Image4, showing the lightweight over-ear design. Camera transitions to the angled view of @Image2, slowly orbiting to

Shot 2:

	highlight the slim build and matte finish. Text overlay: "Lightweight Over-Ear Design — 192 g." 4–8 sec: A clean sound-wave graphic animates outward from the earcups, representing sound quality — minimal motion graphic, no clutter. A Bluetooth signal icon pulses beside the headphones, then splits into two device icons (laptop + phone) connecting simultaneously. Text overlay: "DSEE Sound Enhancement Multipoint Connection." 8–15 sec: Camera moves to the side profile matching @Image3. Faint gray sound-wave lines approach the earcup from outside and fade to nothing on contact — representing active noise cancellation, clean minimal graphic, no text inside the animation. Text overlay: "Noise Cancelling with Integrated Processor V1 Ambient Sound Mode." Voiceover: "At just 192 grams, its lightweight over-ear design is made for comfort. DSEE restores detail to your music, Multipoint keeps two devices connected at once, and Sony's Integrated Processor V1 cancels noise in real time — with Ambient Sound mode ." Throughout: 4K high definition, polished ecommerce ad finish, soft studio lighting, realistic materials. Earcup shape, button placement, and finish locked to references in every frame; no stuttering, no flickering. Ensure music is fully original, generic, copyright-safe, and free from any identifiable copyrighted or legally protected references.	
	Prompt for Shot 3: [Image 1] is the start frame. The first frame of the generated video must match [Image 1] exactly. Retain the characters, their facial features and outfits, and preserve the details. @Image1 @image 2 @Image3 @image 4 @image 5 as product references — same Sony WH-CH720N, matte black, zero design drift. Product-only, no hands, no people. Continuation of Shot 2: same studio environment.	Shot 3:

0–4 sec: The headphones stand upright in the clean studio setting, matching @Image4's profile. A USB-C cable connects to the charging port on the earcup; **a percentage counter animates rising quickly** — clean minimal graphic style. **Text overlay: "USB-C Quick Charging."**

4–7 sec: A simple clock icon showing "3 min" transitions into a battery icon showing "1 hr" — representing quick charging, clean minimal motion graphic. A small microphone icon pulses gently beside the earcup, representing clear call pickup. **Text overlay: "3 Min Charge = 1 Hr Playback | Precise Voice Pickup."**

7–10 sec: Camera pulls back to a clean hero shot, headphones centered at the exact 3/4 angle of @Image1 — bookending Shot 1. Final text summary appears beside the product: **"Sony WH-CH720N. Hear More. Carry Less." Voiceover: "A quick three-minute charge gives you an hour of playback, and Precise Voice Pickup keeps every call and voice command crystal clear. Sony WH-CH720N — hear more, carry less."**

Throughout: 4K high definition, polished ecommerce ad finish, smooth cinematic transitions, realistic materials. Logo position, port and button layout matching @Image3 exactly; texture and proportions reference-accurate; no stuttering, no flickering. Ensure music is fully original, generic, copyright-safe, and free from any identifiable copyrighted or legally protected references.

Final combined results (Shot 1 + Shot 2 + Shot 3):

8. Home

Category	Prompt template	References	Prompt	Video generated
Furniture	A sleek 10-second product showcase video for a [MATERIAL/COLOR] [FURNITURE TYPE, e.g. armchair, dining table, sofa], set in a minimal, softly lit room with neutral tones (or [ALTERNATE SETTING, e.g. sunlit living space, studio backdrop]). No text, graphics, or overlays — visuals only. 0-2s: Wide establishing shot, camera slowly pushes in on the [FURNITURE TYPE] positioned in the room, natural light falling across	   	A sleek 10-second product showcase video for a dark walnut wood console table with woven rattan cane accents, set in a minimal, softly lit entryway with warm natural tones. No text, graphics, or overlays — visuals only. 0-2s: Wide establishing shot, camera slowly pushes in on the console table positioned against a wall, natural window light falling across the rich wood grain and two-drawer front.	

[**SIGNATURE DETAIL**, e.g. **tufted backrest, tabletop grain, curved legs**].

2-4s: Smooth orbit or pan around the piece, revealing [**STRUCTURAL FEATURE**, e.g. **joinery, upholstery stitching, frame silhouette**] from a three-quarter angle.

4-6s: Macro close-up on [**TEXTURE DETAIL**, e.g. **wood grain, fabric weave, leather finish, metal legs**], with soft light raking across the surface to emphasize craftsmanship.

6-8s: A hand or subtle human interaction with the piece (**e.g. sitting down, opening a drawer, running a hand along the surface**) to convey function and comfort.

8-10s: Final hero shot — camera pulls back to a clean, symmetrical composition of the full piece in the styled room, soft ambient light, ending on a still, elegant frame with shallow depth of field.

Style: minimal, warm, editorial interior/product photography aesthetic. Neutral palette (**[FURNITURE COLOR] + soft room tones — beige, white, wood**). Smooth, slow camera movements only, no jump cuts, no on-screen text or overlays.

2-4s: Smooth orbit or pan around the piece from a three-quarter angle, revealing the tapered wood legs, brass knob hardware, and the rattan cane drawer fronts.

4-6s: Macro close-up on the woven rattan weave and brass knobs, with soft light raking across the wood grain to emphasize craftsmanship and texture.

6-8s: A hand slides open one of the drawers smoothly by pulling the draw using the brass knob which is attached to it, revealing interior storage space, then closes it — followed by a pan down to the lower open shelf styled with books and a woven basket.

8-10s: Final hero shot — camera pulls back to a styled vignette with the table beneath a round mirror, table lamp, and vase of flowers, soft ambient window light, ending on a still, elegant frame with shallow depth of field.

Style: minimal, warm, editorial interior/product photography aesthetic. Neutral palette (walnut brown, natural rattan tan, brass accents, soft beige room tones). Smooth, slow camera movements only, no jump cuts, no on-screen text or overlays.

Natural or soft studio lighting emphasizing material texture and form.	Natural window lighting emphasizing wood grain and cane texture. Camera: ARRI Alexa Mini LF, Lens: Zeiss Supreme Prime, Focal Length: 24mm - 105mm, Camera Aperture: T2.8. Ensure all music, visuals, characters, logos, brands, and video elements are fully original, generic, copyright-safe, and free from any identifiable copyrighted or legally protected references. Do not generate background music.	
	A sleek 10-second product showcase video for a mocha brown fabric sofa with tufted cushioning and tapered wood legs, set in a warm, minimal living space with natural travertine and wood-toned walls. No text, graphics, or overlays — visuals only. 0-2s: Wide establishing shot, camera slowly pushes in on the sofa positioned against the textured wall backdrop, soft ambient light falling across the tufted backrest cushions and rolled arm silhouette. 2-4s: Smooth orbit or pan around the piece from a three-quarter angle, revealing the clean track arms, button-tufted seat back, and the warm wood tapered legs.	

4-6s: Macro close-up on the woven polyester-polypropylene fabric texture and tufted stitching detail, with soft light raking across the surface to emphasize the plush, durable weave.

6-8s: A hand presses gently into the seat cushion, showing the give of the high-resilience foam and elastic webbing support, then glides along the backrest to highlight the polyfill-cushioned comfort.

8-10s: Final hero shot — camera pulls back to a styled living room vignette with the sofa beside a marble coffee table and floor lamp, soft natural light, ending on a still, elegant frame with shallow depth of field.

Style: minimal, warm, editorial interior/product photography aesthetic. Neutral palette (mocha brown fabric, warm wood tones, soft beige/travertine backdrop). Smooth, slow camera movements only, no jump cuts, no on-screen text or overlays. Natural or soft ambient lighting emphasizing fabric texture and tufted detail.
